## G and G's Corner

A couple of things coming up, lessons start on Friday and its 40% of their grade. All students must have signed up for lessons. There is a potential change about 3 football games, will be full band for homecoming game. The other 2 are looking more like a voluntary pep band. Lowest bid for busses \$243 per bus x \$53 per hour per bus driver, garage to garage and up to ½ hour clean up time. \$1480 for each football game. All contracts and monies needed (NYSMA, NYSMA majors, busing needs K-12 music) only \$14000 to spend total. Arlington \$1850 per school bus. Athletic director may be able to help us, and a possibility of using city buses. Will try to get additional funds from Crown St. There were a lot of student volunteers at the last football game. A lot of beginning of the year things going on. Do not forget to send in contracts, deadline is Sept 28. We have an extra competition this year and prices of the busses have gone up. If you know of anyone who will struggle to pay, please reach out confidentially to the directors for help. Syracuse, we will leave from Dietz, we are not rehearsing in Amsterdam this year. Our division performance is the middle group, performing at 4:50, last group in LS2. Senior recognition is at fall fanfare and will wear boutonnieres. Change in procedure at the dome at Syracuse. New security changes. They will no longer accept bags, must carry everything in a clear bag. Be prepared and will need to be going through metal detectors.
