G and G's Corner

Things have gone smoothly this weekend. The head judges get the final call as to if there is a performance indoors. This weekend was a major turning point. Hasn't seen this in a few years. The kids were emotionally connected to the music. Uniforming has been asking a lot. The nice thing is that this is a very flexible organization and the chaperoning has been great. If you have sensed any issue please go to Michele Milgrim or a band director to straighten out. We try to send the band out because there are very long days and wait time for retreat at times is over an hour. Pep band this Friday for football games. They like it better and parents drop and pick off their own children. Next year there may be a possible rotation for all kids to participate in the pep band. Pep band sign up for soccer game on Tuesday the 16th at 5:00. Still has outstanding trip money due and 2 for alertify money.
