**New Business-** updated band schedule will be posted to the booster

**G and G's Corner-** orientation went out and gave out the tentative calendar to the incoming students. Time change has been moved due to the lack of lighting at the field and safety. It gives the section leaders a little bit of time before to do some remediation. Sport conflicts are ok, we will work around them. The good news here is that they are going to be digging and placing turf here

at the school. Possibly get the color guard to practice here. In 2 years we will be renovated and will be displaced most likely to the auditorium and 6 classrooms. The Maestros and students will be doing the moving. A Year from now we can start releasing rooms to us to move items.

Spring concert is May 30<sup>th</sup>. All the music is in and arranged. We will be getting an invoice soon. Only 4 students are not coming back between freshmen to juniors.

**\*\*\*Dates of band camp-August 15, 16, 19-23, 26-28. We are changing the starting time to 11-6. No dinner break, but there will be a lunch break.**
