G and G's Corner-First competition this weekend. We are really excited about it. We need as many hands on deck this weekend, please pack lunch and dinner for this weekend and lots of drink. Looking forward to Mahanassen. Lessons begin tomorrow. Students can see all the information on the white board. Also the band directors need an email knowing when the student will not be able to make an event. Attendance will affect their grade. Deadline of 3 days prior to an event for an excused absence from parents. We are having updates from the construction company and have been very accommodating to our needs. Moving forward the auditorium is still under construction, duct work has been started. Should be getting the auditorium back to use on Feb 1. Pops concert has not been yet determined due to logistics. Next year the band will be moving to Carnigie. Everything needs to be moved. NYSBDA applications will be going in and will know is November. As far as this weekend transportation there will be 6 buses instead of 5 but they will be school business.

Jeff meets bi-weekly with the athletic director to make sure we get the stadium at the time we need it. The problem is not Kingston city schools.

Time frame for mini band camp 8:30-1 Saturday 21st.
